FORESTA DI GRES

DARING

GRES PORCELLANATO SMALTATO
GLAZED PORCELAIN STONEWARE

Naturalmente elegante, potrebbe essere lo slogan per questa perfetta imitazione di doghe in legno. Con Daring Rondine ha racchiuso nella propria proposta la morbidezza e la brillantezza superficiale del legno naturale. Disponibile nel formato 26,5X180 e 24X120, coordinabile in esterno con il 15x61 strong con superficie strutturata antiscivolo, e nel nuovissimo formato 15x61 a 6,5 mm di spessore, dalle elevatissime prestazioni tecniche, particolarmente adatto per le ristrutturazioni.

"Naturally elegant": it's the new slogan for our collection Daring. The combination of softness and superficial brilliance reach the perfect imitation of wooden slats. Thanks to the different available sizes, the 26,5x180 and the 24x120 can be matched in outdoor with the 15x61 strong, non-slip surface and the 15x61 in the new thickness in 6,5mm, ideal for renovations with high technical performance.
